OVERVIEW

Welcome to the Master of Business Administration (MBA) program offered at AITM College in partnership with Far-Western University. This dynamic and comprehensive program is crafted to provide you with a robust foundation in business management through a blend of coursework, seminars, practicum, experiential learning, and a graduate research project. Spanning a total duration of two years, the MBA program is structured across four semesters, ensuring a thorough and immersive learning experience.

The program combines a strong foundation in core business disciplines with opportunities for specialization through elective courses in areas such as banking and finance, accounting, marketing, and human resource management.
